

UNIVERSITY OF ILLINOIS College of Agricultural, Consumer and Environmental Sciences

Transfer Information

The information presented in the following section will assist all pre-transfer students, regardless of whether baccalaureate-oriented courses in introductory agricultural, consumer, and environmental sciences related areas are offered at their community colleges. If transferable courses in these areas are not available, alternatives such as humanities or social science courses are suggested to meet the University of Illinois General Education requirements. The University of Illinois admits qualified transfer students who have completed one year (two semesters) at another higher education institution. Please note that the criteria for admission vary depending on if a student will have completed less than 60 or 60+ transferable credit hours by the time of enrollment.

Transfer students with 60 or more hours must have successfully completed a transfer course equivalent which satisfies the University of Illinois' Quantitative Reasoning I (Mathematics) General Education requirement for their intended program of study as a condition of admission. Some programs have other specific courses that must be included in the pre-transfer programs as outlined. Prerequisite courses and requirements necessary for admission are shown in *red italics*. The college requires **a minimum 2.50** GPA in most programs to be considered for admission. Several programs require higher minimum grade point averages for consideration, so applicants should consult the specific major and concentration to which they intend to apply.

Some programs of study offered by the College of ACES require completion of this campus' CHEM 232 as a graduation requirement. The corresponding lab, CHEM 233, Elementary Organic Chemistry Lab I, may be required, when applicable. CHEM 232, Elementary Organic Chemistry I, is a one-semester (lecture only) survey course, which covers many of the topics of a two-course organic chemistry sequence offered elsewhere. Completion of the first course of a transferable two-course organic chemistry sequence **does not** satisfy the organic chemistry requirement for those programs of study, unless currently articulated as such (consult <https://uic.transfer.org/cas/index.jsp> for information about course equivalencies).

Brochures describing the career opportunities for each area of study are available on request. Students should state their field of interest when requesting these brochures.

The College of ACES will accept transfer applications for all majors and concentrations for the fall semester. Transfer applications for all majors are accepted for spring **except** the following two: the major **Agricultural Education** and the **Dietetics** concentration in the major Food Science and Human Nutrition.

General Education Requirements

All College of ACES students are required to satisfy certain minimum hours in the areas of the natural sciences, humanities, cultural studies, and social sciences. In many curricula, some or all of the distribution requirements are fulfilled with campus-wide general education courses already prescribed by the program. The remainder of the requirements can be fulfilled with other courses chosen from the Campus General Education Course List <http://illinois.edu/goto/gened>.

Language Requirement: For all programs in the College of ACES, transfer applicants must have completed, at minimum, two years of one language other than English in high school or at least one semester of a language other than English at the college level. It is strongly recommended that transfer applicants complete the College of ACES' Language Requirement for graduation prior to transfer. This college's graduation requirement is satisfied by completion through the **third year** of one language other than English in high school or through the **third level** (3 semesters) of one language other than English in college.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 104 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: 217/333-3380; FAX: 217/244-6537

**Agricultural and Consumer Economics
with concentrations in:
Agri-Accounting; Agri-Finance; Agribusiness, Markets and Management;
Consumer Economics and Finance; Environmental Economics and Policy;
Farm Management; Financial Planning; Policy, International Trade and
Development; Public Policy and Law**

Minimum GPA for consideration is 3.00 for all programs; for some concentrations, competitive GPA for admission is expected to be 3.50 – 3.70 or higher. Grades in major-related courses are considered.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for sophomore transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

*ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
MATH 012, Algebra (College Algebra), or higher¹
Language Requirement²*

Admission requirements for junior transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

For All Concentrations:

*ACCY 201, Accounting and Accountancy I or an Intro to Financial Accounting³
ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
ECON 103, Macroeconomics Principles
MATH 124, Finite Mathematics
MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
Language Requirement²*

Additional Admission requirement for junior transfer includes completion of equivalent coursework to the following University of Illinois course(s) for the following concentrations:

Agri-Accounting, Agri-Finance, and Agribusiness Markets and Management

ACCY 202, Accounting and Accountancy II or an Intro to Managerial Accounting⁴

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ACE 161, Microcomputer Applications
ACE 261, Applied Statistical Methods or ECON 202, Economic Statistics I or STAT 100, Statistics
CMN 101, Public Speaking
RHET 105, Principles of Composition

¹ If you place into Math 012, Algebra, please note that this course will not count toward graduation or satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (see: <http://illinois.edu/goto/gened>).

² Please refer to Page 1 for the explanation of the Language Requirements for transfer admission and graduation for all programs of study in the College of ACES.

³ The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and 202.

⁴ The second accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and 202.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 104 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: 217/333-3380; FAX: 217/244-6537

**Agricultural and Environmental Communications and Education
with concentrations in:
Agricultural, Consumer, and Environmental Sciences Communication;
Agricultural Education; Agricultural Leadership Education**

The minimum GPA for admission consideration is 2.50 for ACES Communication and Agricultural Leadership Education and 2.75 for Agricultural Education.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and or requirement(s):

MATH 012, Algebra, or higher¹
Language Requirement²

Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) or requirement(s):

For All Concentrations:

MATH 124, Finite Mathematics
or MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
Language Requirement²

Additional Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) for the following concentrations:

Agricultural Leadership Education and Agricultural Education Concentrations

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**:

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
ACE 161, Microcomputer Applications
AGCM 110, Intro to Ag and Env Comm
AGED 220, Principles of Ag Education
CMN 101, Public Speaking
HORT 100, Introduction to Horticulture
PS 101, Intro to US Gov & Pol
PSYC 100, Intro Psych
RHET 105, Principles of Composition
RSOC 110, Intro to Rural Society
STAT 100, Statistics

¹ If you place into Math 012, Algebra, please note that this course will not count toward graduation or satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (see: <http://illinois.edu/goto/gened>).

² Please refer to Page 1 for the explanation of the Language Requirements for transfer admission and graduation for all programs of study in the College of ACES.

Agricultural and Biological Engineering

The minimum GPA for admission consideration is 3.00.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
MATH 220, Calculus or MATH 221, Calculus I
MATH 231, Calculus II
PHYS 211, Univ Physics: Mechanics
Language Requirement¹

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**:

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
CHEM 104, General Chemistry II **and** CHEM 105, General Chemistry Lab II
CS 101, Intro Computing: Engrg & Sci
PHYS 212, Univ Physics: Elec & Mag
PHYS 213, Univ Physics: Thermal Physics
RHET 105, Principles of Composition

Students planning **junior** transfer into Agricultural and Biological Engineering should refer to the College of Engineering section of the Transfer Handbook. For more information and transfer requirements for junior transfer, please contact the College of Engineering's Office of Academic Programs (engrap@illinois.edu or 217-333-2280).

¹ Please refer to Page 1 for the explanation of the Language Requirements for transfer admission and graduation for all programs of study in the College of ACES.

**Animal Sciences
with concentrations in:
Animal Business, Management and Industry; Companion, Recreational and
Laboratory Animal Science; Food Animal Science; Science, Biotechnology
and Pre-Veterinary Medicine**

The minimum GPA for admission consideration is 2.50.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

***CHEM 101, Introductory Chemistry or higher
MATH 012, Algebra, or higher¹
Language Requirement²***

Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

***CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
Language Requirement²***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**:

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
ANSC 100, Intro to Animal Sciences
CMN 101, Public Speaking
IB 104, Animal Biology
MCB 100, Introductory Microbiology **and** MCB 101, Intro Microbiology Lab
RHET 105, Principles of Composition
STAT 100, Statistics

¹ If you place into Math 012, Algebra, please note that this course will not count toward graduation or satisfy the University of Illinois' Quantitative Reasoning I requirement (see: <http://illinois.edu/goto/gened>).

² Please refer to Page 1 for the explanation of the Language Requirements for transfer admission and graduation for all programs of study in the College of ACES.

**Crop Sciences
with concentrations in:
Agroecology; Biological Science; Crop Agribusiness; Crops;
Integrative Pest Management; Plant Biotechnology and Molecular Biology**

The minimum GPA for admission consideration is 2.50.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

CHEM 101, Introductory Chemistry or higher
*MATH 012, Algebra, or higher*¹
*Language Requirement*²

Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
*Language Requirement*²

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ACCY 201, Accounting and Accountancy I **or** an Intro to Financial Accounting³
ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
CMN 101, Public Speaking
CPSC 112, Introduction Crop Sciences
IB 103, Introduction to Plant Biology
MCB 100, Introductory Microbiology **and** MCB 101, Intro Microbiology Lab
NRES 201, Introductory Soils
RHET 105, Principles of Composition
STAT 100, Statistics

¹ If you place into Math 012, Algebra, please note that this course will not count toward graduation or satisfy the University of Illinois' Quantitative Reasoning I requirement (see: <http://illinois.edu/goto/gened>).

² Please refer to Page 1 for the explanation of the Language Requirements for transfer admission and graduation for all programs of study in the College of ACES.

³ The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and 202.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 104 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: 217/333-3380; FAX: 217/244-6537

**Food Science & Human Nutrition
with concentrations in:
Food Science; Dietetics; Human Nutrition; Hospitality Management;
Food Industry and Business**

The minimum GPA for admission consideration is 2.50 for all concentrations except Dietetics and Human Nutrition, which are 3.00 each.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

CHEM 101, Introductory Chemistry or higher
MATH 012, Algebra, or higher¹
Language Requirement²

Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
Language Requirement²

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**:

ACCY 201, Accounting and Accountancy I **or** an Intro to Financial Accounting³
CMN 101, Public Speaking
FSHN 101, Intro Food Science & Nutrition
MCB 100, Introductory Microbiology **and** MCB 101, Intro Microbiology Lab
RHET 105, Principles of Composition
STAT 100, Statistics

¹ If you place into Math 012, Algebra, please note that this course will not count toward graduation or satisfy the University of Illinois' Quantitative Reasoning I requirement (see: <http://illinois.edu/goto/gened>).

³ The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and 202.

**Horticulture
with concentrations in:
Horticulture Sciences; Horticulture Production and Management; Urban Forestry**

The minimum GPA for admission consideration is 2.50.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

CHEM 101, Introductory Chemistry or higher
*MATH 012, Algebra, or higher*¹
*Language Requirement*²

Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 124, Finite Mathematics
or MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
*Language Requirement*²

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**:

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
CMN 101, Public Speaking
HORT 100, Intro to Horticulture
IB 103, Introduction to Plant Biology
NRES 201, Introductory Soils
RHET 105, Principles of Composition
STAT 100, Statistics

¹ If you place into Math 012, Algebra, please note that this course will not count toward graduation or satisfy the University of Illinois' Quantitative Reasoning I requirement (see: <http://illinois.edu/goto/gened>).

² Please refer to Page 1 for the explanation of the Language Requirements for transfer admission and graduation for all programs of study in the College of ACES.

Human Development and Family Studies

The minimum GPA for admission consideration is 2.50.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed **prior to the** desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

MATH 012, Algebra, or higher¹
Language Requirement²

Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

MATH 124, Finite Mathematics
or MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
PSYC 100, Intro Psych
Language Requirement²

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**:

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
ACE 161, Microcomputer Applications
ANTH 143, Biology of Human Behavior
CMN 101, Public Speaking
FSHN 120, Contemporary Nutrition
HDFS 105, Intro to Human Development
RHET 105, Principles of Composition
SOC 100, Introduction to Sociology
STAT 100, Statistics

¹ If you place into Math 012, Algebra, please note that this course will not count toward graduation or satisfy the University of Illinois' Quantitative Reasoning I requirement (see: <http://illinois.edu/goto/gened>).

² Please refer to Page 1 for the explanation of the Language Requirements for transfer admission and graduation for all programs of study in the College of ACES.

**Natural Resources and Environmental Sciences
with concentrations in:
Fish and Wildlife Conservation; Forest Science;
Human Dimensions in the Environment; Resource Ecology;
Soil and Water Science**

The minimum GPA for admission consideration is 2.50.

Equivalent coursework to the University of Illinois courses listed in *red italics* must be successfully completed prior to the desired term of entry.

Admission requirements for **sophomore** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

***CHEM 101, Introductory Chemistry or higher
MATH 012, Algebra, or higher¹
Language Requirement²***

Admission requirements for **junior** transfer include completion of equivalent coursework to the following University of Illinois course(s) and requirement(s):

***CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 221, Calculus I
or MATH 234, Calculus for Business I
Language Requirement²***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
CMN 101, Public Speaking
GEOG 103, Earth's Physical Systems
GEOL 101, Introductory Physical Geology
IB 103, Introduction to Plant Biology
IB 104, Animal Biology
MCB 100, Introductory Microbiology **and** MCB 101, Intro Microbiology Lab
NRES 102, Intro to NRES
NRES 201, Introductory Soils
PHYS 101, College Physics: Mech & Heat **or** PHYS 140, How Things Work
