

## African American Studies

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at [www.las.illinois.edu/students/requirements/gened](http://www.las.illinois.edu/students/requirements/gened) for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's graduation requirement is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and equivalent or comparable coursework to the following University of Illinois course(s):

***RHET 105, Principles of Composition<sup>1</sup>***  
***A least one transferable African American Studies course***

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Anthropology

**Anthropology:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/anthro.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours of coursework** are **subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at [www.las.illinois.edu/students/requirements/gened](http://www.las.illinois.edu/students/requirements/gened) for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's graduation requirement is satisfied **by completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Anthropology course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ANTH 102, Human Origins and Culture  
ANTH 103, Anthro in a Changing World  
RHET 105, Principles of Composition<sup>1</sup>  
Supporting Courses<sup>2</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>2</sup> Supporting courses can be selected in a single discipline (building towards a minor) or can be taken from a variety of disciplines related to aspects of interest to the student in Anthropology.

## Art History

**Art History:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/art\\_history.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/art_history.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the ***Language Requirement*** and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Art History course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ARTH 112, Renaissance to Modern Art  
RHET 105, Principles of Composition<sup>1</sup>  
Supporting Courses<sup>2</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>2</sup> Electives should be selected with consideration to the supporting course requirements for the major. See the description of the requirement in the Liberal Arts and Sciences Art History Section in the current Programs of Study which may be found in the website at the top of the page.

## Astronomy

**Astronomy:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/astronomy.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Astronomy course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ASTR 210, General Astronomy  
MATH 220, Calculus<sup>1</sup> or MATH 221, Calculus I  
MATH 231, Calculus II  
MATH 241, Calculus III  
PHYS 211, Univ Physics: Mechanics<sup>2</sup>  
PHYS 212, Univ Physics: Elec & Mag<sup>2</sup>  
PHYS 213, Univ Physics: Thermal Physics<sup>2</sup>  
PHYS 214, Univ Physics: Quantum Physics<sup>2</sup>  
RHET 105, Principles of Composition<sup>3</sup>

---

<sup>1</sup> A beginning freshman should enroll in the most advanced mathematics course for which he/she is qualified and continue with mathematics each semester. Differential equations and/or advanced calculus are recommended for students who complete introductory calculus before the end of their sophomore year.

<sup>2</sup> If the transferable physics sequence at the community college is equivalent to the engineering physics sequence at the University of Illinois (PHYS 211, 212, 213, and 214), an equivalent of the University of Illinois' MATH 220, Calculus or MATH 221, Calculus I, must first be completed as a prerequisite to the physics sequence.

<sup>3</sup> At most institutions, the equivalent requires a two-course English composition sequence.

**CONTACT INFORMATION:** Mercedes Ramirez Fernandez, Assistant Dean, University of Illinois, College of Liberal Arts & Sciences, 270 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: 217/333-1703  
FAX: 217/244-9498; E-mail: [las-studentoffice@illinois.edu](mailto:las-studentoffice@illinois.edu)

## Atmospheric Sciences

**Atmospheric Sciences:** [http://courses.uiuc.edu/cis/2009/fall/programs/undergrad/las/atmos\\_sci.html](http://courses.uiuc.edu/cis/2009/fall/programs/undergrad/las/atmos_sci.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Atmospheric Sciences course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ATMS 201, General Meteorology  
ATMS 303, Weather Analysis  
ATMS 304, Atmospheric Radiation  
ATMS 305, Computing and Data Analysis  
CHEM 102, General Chemistry I **and** CHEM 103, General Chemistry Lab I  
MATH 220, Calculus or MATH 221, Calculus I  
MATH 231, Calculus II  
MATH 241, Calculus III  
PHYS 211, Univ Physics: Mechanics  
PHYS 213, Univ Physics: Thermal Physics  
PHYS 214, Univ Physics: Quantum Physics  
RHET 105, Principles of Composition<sup>1</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Biochemistry

**Biochemistry:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/molecular\\_cell\\_bio.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/molecular_cell_bio.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

**Additional admission requirements** for **junior** transfer include completion of all of the **sophomore** transfer requirements and completion of equivalent transfer coursework to the following University of Illinois coursework:

***CHEM 202, Accelerated Chemistry I<sup>1</sup> and CHEM 203, Accelerated Chemistry Lab I***  
***CHEM 204, Accelerated Chemistry II and CHEM 205, Accelerated Chemistry Lab II***  
***CHEM 232, Elementary Organic Chemistry I and CHEM 233, Elementary Organic Chem Lab I***  
***CHEM 332, Elementary Organic Chem II***  
***MATH 220, Calculus<sup>2</sup> or MATH 221, Calculus I***  
***MATH 231, Calculus II***  
***MCB 150, Molec & Cellular Basis of Life<sup>3</sup>***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

MATH 241, Calculus III  
MCB 250, Molecular Genetics  
MCB 251, Exp Techniqs in Molecular Biol  
PHYS 101, College Physics: Mech & Heat<sup>4</sup>  
RHET 105, Principles of Composition<sup>5</sup>

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education<sup>6</sup> categories prior to transfer is also **highly recommended**:

Humanities and the Arts  
Social & Behavioral Sciences

(Continued)

**CONTACT INFORMATION:** Mercedes Ramirez Fernandez, Assistant Dean, University of Illinois, College of Liberal Arts & Sciences, 270 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: 217/333-1703  
FAX: 217/244-9498; E-mail: las-studentoffice@illinois.edu

---

<sup>1</sup> General Chemistry sequences that contain qualitative and quantitative analysis are preferred. Students completing a two-course, general college chemistry sequence that does not contain qualitative and quantitative analysis will enroll in CHEM 222, Quantitative Analysis Lecture and CHEM 223, Quantitative Analysis Lab, after transfer to the University of Illinois. Transfer students must also complete a two-semester sequence of organic chemistry lectures with one lab prior to the desired term of transfer.

<sup>2</sup> A strong calculus sequence is highly recommended.

<sup>3</sup> Two semesters of introductory biology, preferably designed for majors, is a prerequisite for the advanced Life Sciences requirement. Courses that emphasize biological principles are desirable over applied health-related or other applied approaches.

<sup>4</sup> The physics courses selected can be equivalent to either the general physics sequence (PHYS 101, College Physics, Mechanics and Heat; and PHYS 102, College Physics, E/M/Modern), or the calculus-based sequence (PHYS 211, 212, 213, and 214).

<sup>5</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>6</sup> Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

## Chemical and Biomolecular Engineering

### Chemical and Biomolecular Engineering:

[http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/chem\\_bio\\_engin.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/chem_bio_engin.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

**Language Requirement:** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

***CHEM 202, Accelerated Chemistry I<sup>1</sup> and CHEM 203, Accelerated Chemistry Lab I***  
***CHEM 204, Accelerated Chemistry II and CHEM 205, Accelerated Chemistry Lab II***  
***MATH 220, Calculus<sup>2</sup> or MATH 221, Calculus I***  
***MATH 231, Calculus II***  
***MATH 241, Calculus III***  
***PHYS 211, Univ Physics: Mechanics<sup>3</sup>***  
***PHYS 212, Univ Physics: Elec & Mag***  
***PHYS 214, Univ Physics: Quantum Physics***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CHEM 236, Fundamental Organic Chem I  
CHEM 237, Structure and Synthesis  
CHEM 436, Fundamental Organic Chem II  
CS 101, Intro Computing: Engrg & Sci<sup>4</sup>  
MATH 225, Introductory Matrix Theory  
MATH 285, Differential Equations  
RHET 105, Principles of Composition<sup>5</sup>

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education<sup>6</sup> categories prior to transfer is also **highly recommended**:

Humanities and the Arts<sup>7</sup>  
Social & Behavioral Sciences

---

<sup>1</sup> Students who have taken a non-accelerated general chemistry sequence will enroll in CHEM 222, Quantitative Analysis Lecture; and CHEM 223, Quantitative Analysis Laboratory, after transferring.

<sup>2</sup> Depending on the available courses, the 3 semester sequence in calculus and analytic geometry, including basic linear algebra and matrix theory, should be equivalent to at least 12 semester hours.

<sup>3</sup> Depending on the available courses, the most advanced physics sequence or the one for engineering majors must be followed. If no 3-semester, 12-hour sequence is available for engineering majors, a 2-semester, 10-hour sequence may also be acceptable, provided it includes modern physics.

(Continued)

**CONTACT INFORMATION:** Mercedes Ramirez Fernandez, Assistant Dean, University of Illinois, College of Liberal Arts & Sciences, 270 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: 217/333-1703  
FAX: 217/244-9498; E-mail: las-studentoffice@illinois.edu

<sup>4</sup> The computer course must be a course in FORTRAN, C or C++ programming, including numerical methods (=University of Illinois CS 101, Introduction to Computing, Engineering/Science); it should be the course intended for engineering majors.

<sup>5</sup> At most institutions, the equivalent requires a two-course English Composition sequence.

<sup>6</sup> Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

<sup>7</sup> Sixteen hours of approved general education electives are required. This must include at least six hours in social perspectives or behavioral sciences and at least six hours in literature and the arts or historical and philosophical perspectives. A current list of approved courses that may be used to satisfy this general education requirement is available in Room 209 RAL or the Undergraduate Program in Chemical Engineering website at: [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/chem\\_bio\\_engin.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/chem_bio_engin.html). If you have more than six hours in either category, the excess will be counted as other Humanities or Social Science hours. Students entering college in Fall 1995 or later must satisfy the distribution requirements in Western and Non-Western Cultures. See LAS General Education Handout for details.

## Chemistry Major and the Specialized Curriculum in Chemistry

### Chemistry Major or Specialized Curriculum:

<http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/chemistry.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at

<http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Chemistry course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CHEM 202, Accelerated Chemistry I<sup>1</sup> **and** CHEM 203, Accelerated Chemistry Lab I  
CHEM 204, Accelerated Chemistry II<sup>1</sup> **and** CHEM 205, Accelerated Chemistry Lab II  
CHEM 236, Fundamental Organic Chem I **and** CHEM 237, Structure and Synthesis  
**or** CHEM 232, Elementary Organic Chemistry I **and** CHEM 233, Elementary Organic Chem Lab I  
CHEM 332, Elementary Organic Chem II  
**or** CHEM 436, Fundamental Organic Chem II  
MATH 220, Calculus<sup>2</sup> or MATH 221, Calculus I  
MATH 231, Calculus II  
MATH 241, Calculus III  
PHYS 101, College Physics: Mech & Heat<sup>3</sup>  
**or** PHYS 211, Univ Physics: Mechanics  
PHYS 102, College Physics: E & M & Mod  
**or** PHYS 212, Univ Physics: Elec & Mag  
PHYS 214, Univ Physics: Quantum Physics  
RHET 105, Principles of Composition<sup>4</sup>

---

<sup>1</sup> Students who have taken a non-accelerated general chemistry sequence and choose the Specialized Curriculum will enroll in CHEM 222, Quantitative Analysis Lecture and CHEM 223, Quantitative Analysis Laboratory, after transferring. CHEM 222 and CHEM 223 are optional for the Chemistry major. Students pursuing a Science and Letters Curriculum may complete coursework equivalent to the University of Illinois' CHEM 102-105 or CHEM 202-205. Students pursuing a Specialized Curriculum in Chemistry must complete coursework equivalent to the University of Illinois' CHEM 202-205.

(Continued)

**CONTACT INFORMATION:** Mercedes Ramirez Fernandez, Assistant Dean, University of Illinois, College of Liberal Arts & Sciences, 270 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: 217/333-1703  
FAX: 217/244-9498; E-mail: las-studentoffice@illinois.edu

<sup>2</sup> The equivalent to the University of Illinois' three-course calculus sequence (MATH 220 (or 221), 231, and 241) should be completed prior to transfer.

<sup>3</sup> PHYS 101, College Physics, Mechanics & Heat, and PHYS 102, Physics, Electricity & Magnetism, and Modern; **OR** PHYS 211, University Physics, Mechanics, and PHYS 212, University Physics, Electricity and Magnetism; will satisfy the Physics requirement for the Chemistry major. For the professional Chemistry curriculum, PHYS 211, 212, and 214 are required for graduation.

<sup>4</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Communication

**Communication:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/speech\\_communication.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/speech_communication.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CMN 101, Public Speaking  
CMN 113, Small Group Communication  
RHET 105, Principles of Composition<sup>1</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Comparative and World Literature

### Comparative Literature and World Literature:

[http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/comp\\_world\\_lit.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/comp_world_lit.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CWL 189, Lit of Asia & Africa I  
CWL 180, Lit of Asia & Africa II  
ENGL 101, Intro to Poetry  
**or** CWL 241, Lit Europe & the Americas I  
ENGL 102, Intro to Drama  
**or** ENGL 103, Intro to Fiction  
**or** CWL 242, Lit Europe & the Americas II  
HIST 141, Western Civ to 1660  
HIST 142, Western Civ Since 1660  
RHET 105, Principles of Composition<sup>1</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Earth System, Environment, and Society Science of the Earth System (SES)

**Science of the Earth System:** <http://www.earth.illinois.edu/>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CHEM 102, General Chemistry I **and** CHEM 103, General Chemistry Lab I  
CS 101, Intro Computing: Engrg & Sci<sup>1</sup>  
ECON 102, Microeconomic Principles  
**or** ACE 100, Agr Cons and Resource Econ  
MATH 220, Calculus or MATH 221, Calculus I  
PHYS 101, College Physics: Mech & Heat  
**or** PHYS 211, Univ Physics: Mechanics  
PSYC 100, Intro Psych  
RHET 105, Principles of Composition<sup>2</sup>  
STAT 100, Statistics  
**or** ECON 202, Economic Statistics I

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education<sup>3</sup> categories prior to transfer is also **highly recommended**:

Cultural Studies: Non-Western /U.S. Minority Culture(s)  
Cultural Studies: Western/Comparative Culture(s)  
Humanities & the Arts: Literature & the Arts  
Natural Sciences & Technology: Life Sciences, Earth's Bio Systems<sup>4</sup>  
Natural Sciences & Technology: Physical Sciences, Earth's Physical Systems<sup>5</sup>  
Social & Behavioral Sciences: Social Sciences<sup>6</sup>

**(Continued)**

FAX: 217/244-9498; E-mail: las-studentoffice@illinois.edu

---

<sup>1</sup> Highly recommended for this concentration.

<sup>2</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>3</sup> Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

<sup>4</sup> An equivalent to one of the following: GEOL 143; IB 100, 102, 103, 105, 150 or MCB 150.

<sup>5</sup> An equivalent to one of the following: ATMS 100, 120, 130, 140; GEOG 102, 103; GEOL 100, 101, 103, 104, 107, 117 or 118.

<sup>6</sup> An equivalent to one of the following: ANTH 102; GEOG 104; PS 100 or SOC 100.

## Earth System, Environment, and Society Society and the Environment (SAE)

**Society and the Environment:** <http://www.earth.illinois.edu/>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ECON 102, Microeconomic Principles  
PSYC 100, Intro Psych  
RHET 105, Principles of Composition<sup>1</sup>  
STAT 100, Statistics  
**or** GEOG/SOC 280, Intro to Social Statistics

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education<sup>2</sup> categories prior to transfer is also **highly recommended**:

Cultural Studies: Non-Western /U.S. Minority Culture(s)  
Cultural Studies: Western/Comparative Culture(s)  
Humanities & the Arts: Historical & Philosophical Perspectives  
Humanities & the Arts: Literature & the Arts  
Natural Sciences & Technology: Life Sciences, Earth's Bio Systems<sup>3</sup>  
Natural Sciences & Technology: Physical Sciences, Earth's Physical Systems<sup>4</sup>  
Social & Behavioral Sciences: Social Sciences<sup>5</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## East Asian Languages and Cultures; Latin American Studies; and Russian, East European, and Eurasian Studies

### East Asian Languages/Cultures:

[http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/east\\_asian\\_languages.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/east_asian_languages.html)

### Latin American Studies:

[http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/latin\\_am\\_studies.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/latin_am_studies.html)

### Russian, East European, and Eurasian Studies:

[http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/russian\\_e\\_european.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/russian_e_european.html)

Refer to the College of Liberal Arts and Sciences General Education Course List at

<http://www.las.uiuc.edu/students/requirements/gened/> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

RHET 105, Principles of Composition<sup>1</sup>

Students in the Latin American Studies Program should complete an equivalent to Illinois LAST 170, Introduction to Latin America, if available.

Students in East Asian Languages and Cultures must complete EALC 120, East Asian Civilizations, as a graduation requirement.

Latin American & Caribbean Studies require study in one language other than English. Select from Spanish, Portuguese, Quechua or Native Languages, e.g., Maya (can be studied at the University of Chicago, University of Illinois consortium partner).

Students in the Russian, East European, and Eurasian Studies program should complete an equivalent to Illinois REES 200, Intro to Russia/Eurasia, REES 201, Intro to Eastern Europe, and must complete REES 495, Senior Seminar, as a graduation requirement.

For electives, special consideration should be given to courses that contribute to an understanding of the broad background against which the region and cultures of the area are studied. Examples are general courses in anthropology, economics, geography, Asian and modern European or world history, world literature, political science, and sociology. See the description of the requirements for each of these programs at the websites at the top of the page.

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Economics

**Economics:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/economics.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

***ECON 102, Microeconomic Principles (minimum of grade B)***  
***ECON 103, Macroeconomic Principles (minimum of grade B)***  
***MATH 220, Calculus* or *MATH 221, Calculus I***

Completion of an equivalent to the University of Illinois' **MATH 231, Calculus II**, prior to transfer is **very strongly recommended**.

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ECON 202, Economic Statistics I  
ECON 203, Economic Statistics II  
RHET 105, Principles of Composition<sup>1</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## English (Including Rhetoric)

**English:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/english.html>

**Rhetoric:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/rhetoric.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the ***Language Requirement*** and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable English course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ENGL 200, Intro to Lit Study for majors<sup>1</sup>  
ENGL 209, English Lit to 1798<sup>1</sup>  
ENGL 210, English Lit 1798 to Present<sup>1</sup>  
ENGL 255, Survey of American Lit I<sup>1</sup>  
HIST 141, Western Civ to 1660  
**or** HIST 171, US Hist to 1877  
**or** HIST 255, British Isles to 1688  
**or** CWL 241, Lit Europe & the Americas I  
HIST 142 Western Civ Since 1660  
**or** HIST 172, US Hist Since 1660  
**or** HIST 256, Great Britain Since 1688  
**or** CWL 242, Lit Europe & the Americas II  
RHET 105, Principles of Composition<sup>2</sup>

---

<sup>1</sup> It is recommended that students majoring in Rhetoric complete two of the four literature classes listed above.

<sup>2</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## French; German; Italian; Portuguese; Russian; Spanish; and Classics (Including Greek and Latin)

**French:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/french.html>

**German:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/german.html>

**Italian:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/italian.html>

**Portuguese:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/portuguese.html>

**Russian:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/russian.html>

**Spanish:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/spanish.html>

**Classics:** (Greek & Latin): <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/classics.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at

<http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the ***Language Requirement*** and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CMN 101, Public Speaking

HIST 141, Western Civ to 1660<sup>1</sup>

or CWL 241, Lit Europe & the Americas I<sup>1</sup>

HIST 142 Western Civ Since 1660<sup>1</sup>

or CWL 242, Lit Europe & the Americas II<sup>1</sup>

RHET 105, Principles of Composition<sup>2</sup>

French Studies and Commercial French Studies students can complete transfer equivalents to ARTH 111-112, Ancient & Medieval Art, Renaissance & Modern Art or FR 435-436, French Civilization I, French Civilization II.

---

<sup>1</sup> A sequence in Western Cultural Studies comparable to either HIST 141, Western Civilization to 1660, and HIST 142, Western Civilization Since 1660; or to CWL 241, Lit Europe & the Americas I, and CWL 242, Lit Europe & the Americas II; is required for graduation as a major in any language other than English.

<sup>2</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Gender and Women's Studies

### Gender and Women's Studies:

[http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/interdisc\\_studies.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/interdisc_studies.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

GWS 250, Gender Studies Humanities  
**or** GWS 260, Gender Studies Soc Sci  
GWS 261, Gender Transnatl Perspective  
GWS 285, US Gender History to 1877  
**or** GWS 286, US Gender History Since 1877  
GWS 350, Intro to Feminist Theory  
RHET 105, Principles of Composition<sup>1</sup>  
Gender Studies Electives

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Geography

**Geography:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/geography.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Geography course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

GEOG 101, Geog of Developing Countries  
GEOG 102, Weather and Climate  
GEOG 103, Earth's Physical Systems<sup>1</sup>  
GEOG 104, Social and Cultural Geography  
RHET 105, Principles of Composition<sup>2</sup>

Students specializing in general human and physical geography; urban and social geography; historical and regional studies; or economic geography are encouraged to select equivalents to MATH 124, Finite Mathematics; and MATH 234, Calculus for Business I.

Students specializing in the Physical Environment are encouraged to select equivalents to MATH 220, Calculus or MATH 221, Calculus I.

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education<sup>3</sup> categories prior to transfer is also **highly recommended**:

Social & Behavioral Sciences

---

<sup>1</sup> If physical geography is not offered, students should select equivalents to the physical science courses from the LAS general education list.

<sup>2</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>3</sup> Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

## Geology Major and the Specialized Curriculum in Geology

**Geology:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/geology.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

Students intending to major in Geology at Illinois should request a copy of the "Guide for Geology Undergraduates" from the Department of Geology, 245 Natural History Building, 1301 W. Green Street, Urbana, IL 61801, (217/333-3540).

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the ***Language Requirement*** and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CHEM 102, General Chemistry I **and** CHEM 103, General Chemistry Lab I  
CHEM 104, General Chemistry II **and** CHEM 105, General Chemistry Lab II  
GEOL 107, Physical Geology  
MATH 220, Calculus<sup>1</sup> or MATH 221, Calculus I  
PHYS 101, College Physics: Mech & Heat<sup>2</sup>  
**or** PHYS 211, University Physics: Mechanics  
PHYS 102, College Physics: E & M & Mod  
**or** PHYS 212, University Physics: Elec & Mag  
RHET 105, Principles of Composition<sup>3</sup>

---

<sup>1</sup> The **Specialized Curriculum in Geology and Geophysics in the current Programs of Study** require **three semesters of Calculus**; the **Sciences and Letters curriculum major in Geology, however, requires only one semester of Calculus**.

<sup>2</sup> PHYS 101, College Physics, Mechanics & Heat, and PHYS 102, College Physics, Electricity & Magnetism, and Modern; **OR** PHYS 211, University Physics, Mechanics, and PHYS 212, University Physics, Electricity and Magnetism; will satisfy the Physics requirement for the Geology major. For the Geophysics option, PHYS 211, 212, 213, and 214 are required for graduation.

<sup>3</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Global Studies

**Global Studies:** [www.intstudies.uiuc.edu](http://www.intstudies.uiuc.edu)

Transfer applicants who have completed more than 4 semesters or 60 hours of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission.** Applicants are considered on a space available basis.

Students are advised to transfer into Global Studies with 45 hours of college credit. In order to meet the Illinois residency requirement of 60 hours on campus as well as the Global Studies study abroad requirement, students should plan for at least five semesters post-transfer undergraduate work.

Refer to the College of Liberal Arts and Sciences General Education Course List at [www.las.illinois.edu/students/requirements/gened](http://www.las.illinois.edu/students/requirements/gened) for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

ANTH 103, Anthro in a Changing World  
ECON 102, Microeconomic Principles  
ECON 103, Macroeconomic Principles

PS 101, Intro to US Gov & Pol  
PS 280, Intro to Intl Relations  
RHET, 105, Principles of Composition<sup>1</sup>  
SOC 100, Introduction to Sociology  
SOC 270, Population Issues

For electives, special consideration should be given to courses that satisfy the major requirements under Area Studies and Thematic Studies. Such courses should contribute to an understanding of the broad background against which the region and cultures of a student's particular area of the world are studied. Examples are general courses in anthropology, economics, geography, history, literature, political science, and sociology.

Prospective transfer students are **strongly encouraged** to contact LAS for further guidance in choosing coursework because of the individualized nature of the major.

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## History

**History:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/history.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable History course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

HIST 141, Western Civ to 1660<sup>1</sup>  
HIST 142, Western Civ Since 1660  
RHET 105, Principles of Composition<sup>2</sup>

---

<sup>1</sup> Transfer students may satisfy the prerequisite to a concentration in History, the requirement of a pre-modern course in history, and the Western Civilization requirement by taking the equivalent of University of Illinois' HIST 141, Western Civilization to 1660; and HIST 142, Western Civilization Since 1660.

<sup>2</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Integrative Biology

**Integrative Biology:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/integrative\\_bio.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/integrative_bio.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and equivalent coursework to the following University of Illinois course(s):

***CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I***  
***CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II***  
***IB 150, Organismal & Evolutionary Biol<sup>1</sup>***  
***MCB 150, Molec & Cellular Basis of Life<sup>1</sup>***  
***RHET 105, Principles of Composition<sup>2</sup>***

**Additional admission requirements** for **junior** transfer include all of the admission requirements for sophomore transfer and equivalent coursework to the following University of Illinois course(s):

***MATH 220, Calculus or MATH 221, Calculus I***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CHEM 232, Elementary Organic Chemistry I<sup>3</sup> and CHEM 233, Elementary Organic Chem Lab I  
STAT 100, Statistics

---

<sup>1</sup> The introductory Biology sequence must include an Organismal/Evolutionary course and a Molecular/Cellular course. Please see the IAI Website at <https://uic.transfer.org/cas/index.jsp> for details. Contact the IB/MCB Advising Office at 217/333-6774 for specific recommendations for your community college. If equivalents to both of these courses are not offered at your institution, please explain in the optional essay on your transfer application.

<sup>2</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>3</sup> It is highly recommended that students complete equivalent transfer coursework to CHEM 232 & 233, Elementary Organic Chemistry I, Elementary Organic Chemistry Lab I.

## Interdisciplinary Studies Medieval Civilization Option

**Medieval Civilization:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/interdisc\\_studies.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/interdisc_studies.html)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission.** Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CWL 241, Lit Europe & the Americas I  
**or** HIST 141, Western Civ to 1660  
CWL 242, Lit Europe & the Americas II  
**or** HIST 142, Western Civ Since 1660  
RHET 105, Principles of Composition<sup>1</sup>  
European Literature

Additionally, completion of electives in Art History, Religious Studies, and Philosophy should be considered.

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Interdisciplinary Studies Renaissance Studies Option

**Renaissance Studies:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/interdisc\\_studies.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/interdisc_studies.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the ***Language Requirement*** and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable course in the major field of study***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CWL 241, Lit Europe & the Americas I  
**or** HIST 141, Western Civ to 1660  
CWL 242, Lit Europe & the Americas II  
**or** HIST 142, Western Civ Since 1660  
RHET 105, Principles of Composition<sup>1</sup>  
European Literature

Additionally, completion of electives in Art History and Philosophy should be considered.

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English Composition sequence.

## Linguistics

**Linguistics:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/linguistics.html>

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission.** Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Linguistics course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CW 104, Introductory Narrative Writing  
or CW 106, Introductory Poetry Writing  
LING 100, Intro to Language Science<sup>1</sup>  
LING 225, Elements of Psycholinguistics<sup>1</sup>  
PSYC 100, Intro Psych  
RHET 105, Principles of Composition<sup>2</sup>  
RHET 233, Principles of Composition  
Supporting Elective<sup>3</sup>

---

<sup>1</sup> If transfer equivalents to these courses are not available, students should choose transferable general education or elective courses.

<sup>2</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>3</sup> Refer to the statement on supporting coursework in the LAS Linguistics section of the current Programs of Study which may be found in the website at the top of the page.

## Mathematics; Actuarial Science; and Statistics

**Mathematics:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/math.html>

**Actuarial Science:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/actuarial.html>

**Statistics:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/stats.html>

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of equivalent coursework to the following University of Illinois course(s):

***MATH 220, Calculus<sup>1</sup> or MATH 221, Calculus I<sup>1</sup>***  
***MATH 231, Calculus II<sup>1</sup>***

**Additional admission requirements** for **junior** transfer include all of the admission requirements for sophomore transfer and equivalent coursework to the following University of Illinois course:

***MATH 241, Calculus III***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CS 125, Intro to Computer Science<sup>2</sup>  
MATH 225, Introductory Matrix Theory<sup>3</sup>  
RHET 105, Principles of Composition<sup>4</sup>

Students majoring in Actuarial Science should select ECON 102, Microeconomic Principles, and ECON 103, Macroeconomic Principles, to complete their Social Science General Education requirements in the LAS Sciences and Letters curriculum.

Students majoring in Statistics should intend to complete Statistics 200, Statistical Analysis.

---

<sup>1</sup> This sequence may be substituted with a one semester transferable course in analytic geometry followed by two semesters of transferable calculus. It is strongly recommended that a calculus sequence comparable to University of Illinois' MATH 220, Calculus or MATH 221, Calculus I; MATH 231, Calculus II; & MATH 241, Calculus III, be completed prior to transfer to either the Actuarial Science or Statistics program. The recommended minimum GPA for the courses in the calculus sequence is **2.5**.

<sup>2</sup> For majors in Mathematics, completion of CS 101 or 125 or an equivalent is required. For majors in Actuarial Science completion of CS 101, 105 or 125 or an equivalent is required. Majors in Statistics require completion of **no CS** coursework. More advanced courses in Computer Science should be taken at the University of Illinois.

<sup>3</sup> If available, a course comparable to MATH 415, Linear Algebra, is preferred.

<sup>4</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Mathematics and Computer Science; and Statistics and Computer Science

**Math/CS:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/math\\_computer\\_sci.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/math_computer_sci.html)

**Stats/CS:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/stats\\_comp\\_sci.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/stats_comp_sci.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 3.20 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and equivalent coursework to the following University of Illinois course(s):

***CS 125, Intro to Computer Science<sup>1</sup>***  
***MATH 220, Calculus<sup>2</sup> or MATH 221, Calculus I***  
***MATH 231, Calculus II***

**Additional admission requirements** for **junior** transfer include all of the admission requirements for sophomore transfer and equivalent coursework to the following University of Illinois course:

***MATH 241, Calculus III***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CS 173, Discrete Structures<sup>3</sup>

RHET 105, Principles of Composition<sup>4</sup>

Students majoring in Statistics and Computer Science should include an introductory course in Statistics.

The recommended minimum GPA for the courses in the calculus sequence should be at least **2.5**.

---

<sup>1</sup> CS 125, Introduction to Computer Science, is preferred. If a transferable equivalent is not available, a transferable equivalent of CS 101, Introduction to Computing, Engineering and Science, may be substituted for it.

<sup>2</sup> This sequence may be substituted with one semester of transferable Analytic Geometry followed by two semesters of transferable Calculus.

<sup>3</sup> It is highly recommended that an equivalent course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without a comparable course.

<sup>4</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Molecular and Cellular Biology

### Molecular and Cellular Biology:

[http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/molecular\\_cell\\_bio.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/molecular_cell_bio.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in **red italics** which must be successfully completed **prior to** the desired term of entry.

**Language Requirement:** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation** requirement is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended**.

**Admission requirements** for **sophomore** transfer include completion of the **Language Requirement** and equivalent coursework to the following University of Illinois course(s):

**CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I**  
**CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II**  
**IB 150, Organismal & Evolutionary Bio<sup>1&2</sup>**  
**or MCB 150, Molec & Cellular Basis of Life<sup>1&2</sup>**  
**MATH 220, Calculus or MATH 221, Calculus I**

**Additional admission requirements** for **junior** transfer include all of the admission requirements for sophomore transfer and equivalent coursework to the following University of Illinois course(s):

**IB 150, Organismal & Evolutionary Bio<sup>2</sup>, if not completed previously**  
**MCB 150, Molec & Cellular Basis of Life<sup>2&3</sup>, if not completed previously**

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CHEM 232, Elementary Organic Chemistry I<sup>4</sup> and CHEM 233, Elementary Organic Chem Lab I<sup>4</sup>  
MATH 231, Calculus II  
or STAT 100, Statistics  
RHET 105, Principles of Composition<sup>5</sup>

<sup>1</sup> Students can take their institution's Biology I and/or Biology II. It is recommended that students transferring into MCB as sophomores take MCB 150 at the University of Illinois, when a direct equivalent to MCB 150 is not available at their transfer institution. This will enable the student to be better prepared for MCB 250 at the University of Illinois.

<sup>2</sup> The introductory Biology sequence must include an Organismal/Evolutionary course and a Molecular/Cellular course. Please see u.select (formerly CAS) website – <https://uic.transfer.org/cas/index.jsp> for details. Contact the IB/MCB Advising Office at 217/333-6774 for specific recommendations for your community college.

(Continued)

**CONTACT INFORMATION:** Mercedes Ramirez Fernandez, Assistant Dean, University of Illinois, College of Liberal Arts & Sciences, 270 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: 217/333-1703  
FAX: 217/244-9498; E-mail: las-studentoffice@illinois.edu

<sup>3</sup> If a direct equivalent to MCB 150 is not available, students are **strongly encouraged** to take a Merit section for MCB 250 upon transfer to ensure a smoother academic transition to the MCB program. The Merit section is a one-credit-hour companion course to MCB 250. Taking MCB 150 at the University of Illinois after transferring is also an option many students find useful in making sure they are best prepared for MCB 250 and other advanced courses in the major.

<sup>4</sup> Students who plan on attending medical school should take Organic Chemistry I & II with labs at the University of Illinois.

<sup>5</sup> At most institutions, the equivalent requires a two-course English composition sequence. It is **highly recommended** that this requirement is completed prior to transfer so that space in the student's schedule is made available for other courses.

## Philosophy

**Philosophy:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/philosophy.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for graduation has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Philosophy course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

PHIL 101, Introduction to Philosophy  
PHIL 102, Logic and Reasoning  
**or** PHIL 202, Symbolic Logic  
PHIL 110, World Religions  
RHET 105, Principles of Composition<sup>1</sup>  
Philosophy Electives

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Physics Major and the Specialized Curriculum in Physics

**Physics Major and Curriculum:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/physics.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

**Language Requirement:** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended**.

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

*At least one transferable Physics course*

**Additional admission requirements** for **junior** transfer include all of the admission requirements for sophomore transfer and equivalent coursework to the following University of Illinois course(s):

*MATH 220, Calculus<sup>1</sup> or MATH 221, Calculus I<sup>1</sup>*  
*MATH 231, Calculus II<sup>1</sup>*  
*MATH 241, Calculus III<sup>1</sup>*  
*PHYS 211, Univ of Physics: Mechanics*  
*PHYS 212, Univ of Physics: Elec & Mag*  
*PHYS 213, Univ Physics: Thermal Physics*  
*PHYS 214, Univ Physics: Quantum Physics*

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CHEM 102, General Chemistry I<sup>2</sup> and CHEM 103, General Chemistry Lab I<sup>2</sup>  
RHET 105, Principles of Composition<sup>3</sup>

---

<sup>1</sup> The equivalent to the full University of Illinois' calculus sequence (MATH 220 or 221, 231, and 241) should be completed prior to transfer.

<sup>2</sup> It is recommended that students intending to pursue the Specialized Curriculum in Physics complete University of Illinois' Chemistry 102 and 103 or equivalent coursework.

<sup>3</sup> At most institutions, the equivalent requires a two-course English composition sequence.

## Political Science

**Political Science:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/political\\_science.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/political_science.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.uiuc.edu/students/requirements/genedgrid.html> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Political Science course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

CMN 102, Intro to Comm Theory & Res  
ECON 102, Microeconomic Principles  
ECON 103, Macroeconomic Principles  
PHIL 102, Logic & Reasoning  
PS 101, Intro to US Gov & Pol  
PS 240, Intro to Comp Politics  
PS 280, Intro to Intl Relations  
PSYC 100, Intro Psych  
RHET 105, Principles of Composition<sup>1</sup>  
Political Science<sup>2</sup>  
Quantitative Reasoning I and II<sup>3</sup>

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>2</sup> Coursework comparable to University of Illinois' PS 220, Introduction to Public Policy, PS 230, Introduction to Political Research, PS 270, Introduction to Political Theory, or 300 level courses.

<sup>3</sup> It is **strongly recommended** that equivalents to one of the following courses be completed prior to transfer: STAT 100, Statistics, MATH 220, Calculus I, MATH 231, Calculus II or CS 105, Introduction to Computing, Non-Technical.

## Psychology

**Psychology:** <http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/psychology.html>

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 3.00 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Illinois' Psychology is a research-focused program with an emphasis on biological psychology. Students interested in counseling might consider Sociology (LAS), Human Development and Family Studies (ACES), or Community Health (AHS).

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/gened> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement:*** All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This college's **graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended.**

**Admission requirements** for **sophomore** transfer include completion of the *Language Requirement* and completion of comparable coursework to the following University of Illinois course(s):

***PSYC 100, Intro Psych***  
***RHET 105, Principles of Composition<sup>1</sup>***  
***STAT 100, Statistics***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

One additional psychology course<sup>2</sup>

**Additional admission requirements** for **junior** transfer include all of the admission requirements for **sophomore** transfer and completion of equivalent and/or comparable coursework to the following University of Illinois course(s):

***Two additional psychology courses<sup>2</sup>***

---

<sup>1</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>2</sup> Sophomore transfers should complete at least two and junior transfers are required to complete at least three Psychology courses with a GPA of 3.0 in those courses prior to transfer, one of which must be an equivalency to University of Illinois PSYC 100, Introduction to Psychology. The remaining two may be chosen from equivalent courses to PSYC 201, Introduction to Social Psychology; PSYC 216, Child Psychology; PSYC 238, Abnormal Psychology; PSYC 239, Community Psychology; PSYC 245, Industrial/Organizational Psychology; or PSYC 250, Psychology of Personality or any articulated 200-level Psychology course, which may or may not be posted at the u.select (formerly CAS) website – <https://uic.transfer.org/cas/index.jsp>. Articulation information concerning non-posted courses may be obtained by contacting the Course Articulation Coordinator at 217-333-1891.

## Religion

**Religion:** [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/religious\\_studies.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/religious_studies.html)

Transfer applicants who have completed more than **6 semesters** or **80 hours** of coursework **are subject to review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission**. Applicants are considered on a space available basis.

Refer to the College of Liberal Arts and Sciences General Education Course List at <http://www.las.illinois.edu/students/requirements/genedgrid.html> for references about a specific University of Illinois course.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course(s) and requirement(s) listed in *red italics* which must be successfully completed **prior to** the desired term of entry.

***Language Requirement<sup>1</sup>***: All transfer applicants must have completed either **three years of one language other than English in high school** or **through the second level (2 semesters) of one language other than English in college prior to the desired term of entry**. It is **strongly encouraged** that transfer applicants complete the Illinois Language Requirement for this college prior to transfer. This **college's graduation requirement** is satisfied by **completion through the fourth year of one language other than English in high school** or **through the fourth level (4 semesters) of one language other than English in college**. If this college's Language Requirement for **graduation** has been completed, additional transferable coursework can be taken. **Consultation with the transfer institution's advising staff is strongly recommended**.

**Admission requirements** for **sophomore** transfer include completion of the ***Language Requirement*** and completion of comparable coursework to the following University of Illinois course(s):

***At least one transferable Religious Studies course***

Completion of equivalents to the following University of Illinois courses prior to transfer is **highly recommended**.

HIST 141, Western Civ to 1660<sup>2</sup>  
**or** CWL 241, Lit Europe & the Americas I  
HIST 142, Western Civ Since 1660  
**or** CWL 242, Lit Europe & the Americas II  
RHET 105, Principles of Composition<sup>3</sup>  
RLST 104, Asian Mythology<sup>4</sup>  
**or** RLST 122, History East Asian Religions  
RLST 110, World Religions  
RLST 201, Hebrew Bible in English  
RLST 202, New Testament in English  
RLST 230, Philosophy of Religion Intro  
Literature<sup>5</sup>

---

<sup>1</sup> Students should complete a language appropriate to the area of specialization, if available. (See LAS Religious Studies section of the current Programs of Study at [http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/religious\\_studies.html](http://courses.illinois.edu/cis/2009/fall/programs/undergrad/las/religious_studies.html)).

<sup>2</sup> A sequence in Western Cultural Studies comparable to either HIST 141, Western Civilization to 1660, and HIST 142, Western Civilization Since 1660; **or** CWL 241, Lit Europe & the Americas I, and CWL 242, Lit Europe & the Americas II, is required for graduation in the Religious Studies major.

<sup>3</sup> At most institutions, the equivalent requires a two-course English composition sequence.

<sup>4</sup> If equivalents to the religious studies course previously listed are not available, substitute transferable general education courses or electives.

<sup>5</sup> Literature courses which make up the "Classics" of Western civilization (Homer, Vergil, Dante, etc.) and/or major British and American writers are recommended.
